June meeting.

We will have our regular June get together on June 12 at the Sno-Shaker's building in Canterbury. We will gather around 10:30 AM to socialize and have a short business meeting.

Business meeting agenda:

1. Officers for coming year.
2. Proposed meeting day and time changes.
3. Club show in August.
4. Purchase of trailer to store our equipment & other donated items for club members use.

It is important to have members attend so decisions can be made on these items so please attend the meeting.

We will have a cookout at noon with the club providing hamburgers, chicken, plates, utensils etc. Club members should bring a salad, dessert, as in the past. We need to have a count on members who will attend so we know how much food to buy so please email Steffen at steffenh@comcast.net to give him a count on who will attend.

After lunch the auction will begin. Auction items will be available for viewing from 10:30 until the start of the auction.

It will be fantastic to see everyone in person rather than on a computer screen.

See you there!

**Capital Mineral Club
Concord, New Hampshire**
