The Capital Mineral Club membership meeting will be on Saturday, September 6th at 2:00 PM at the Salvation Army Building, corner of Fruit St. and Pleasant St. Concord, NH.

This months speaker will be Jon Herndon talking on collecting in the Ossipees. Jon is a long time member of the Club and lives close to the subject of his talk living on Ossipee Mountain Road at the gateway to the Gulch. The minerals for display will be OSSIPEE MINERALS.

There will be coffee but we need someone to do refreshments. If you are willing, give Gordon Jackson a call, 783-4493 hopefully we will have something to go with the coffee.

The Show went great. This happened because of the help that you all gave, THANKS. We had four new chairpersons and not only did you do a great job but took ownership of your area and it showed! One older, experienced mineral collector commented that the displays were the best he has seen at any New England show.
